The student may withdraw from a course after instruction has started and receive a pro rate refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the 12 weeks quarter period. The refund shall be the amount of tuition paid multiplied by a fraction, the numerator of which is the number of class hours of instruction which the student has not received but paid for, and the denominator of which is the total number of class hours of instruction for which the student has paid. **The student will not get a refund after more than 60% of the instruction of that quarter has been presented.** The institution shall advise each student that any notification of withdrawal or cancellation and any request for a refund is required to be made in writing and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to a student's lack of attendance. Cal America Education Institute shall pay or credit refunds due on a reasonable or timely basis, not to exceed thirty (30) days following the date upon which the student's cancellation has been determined.
